ANDY AYRES

Sound Supervisor | International Live Sports & OB Broadcast

+44 (0) 7527 893638 | sound@andyayres.co.uk | www.andyayres.co.uk | London, UK

PROFILE

Senior Sound Supervisor with over 10 years delivering broadcast audio across international sport, large-scale outside broadcasts and major entertainment productions. Responsible for audio design, RF strategy, comms integration, crew leadership and live transmission mixing on entertainment and global motorsport events.

KEY TECHNICAL EXPERTISE

- Calrec Artemis | Lawo mc² series
- Large-scale OB audio system design
- Comms systems integration
- MADI & IP-based broadcast workflows
- Multi-truck & host broadcast operations
- Live international transmission mixing

LEADERSHIP

Sound Supervisor managing major OB & Studio productions. Overseeing workflow design, technical delivery and inter-department coordination while maintaining broadcast standards under live transmission pressure.
