ANDY AYRES
BROADCAST SOUND

About Me

Over 10 years experience in broadcast, working on a range of exciting shows along the way. An extensive knowledge of various productions, from outside broadcasts to multi camera shoots.

Whatever the technical or creative requirements a production brings, the aim is always to provide the best show to go to air.

Based in London and working wherever the project takes me, whether it's in Alaska working on remote broadcasts or the UK for various Sports and Entertainment shows.
